SMALL LOAN LENDER FORM 399-A-AR

NH ANNUAL REPORT - GENERAL INSTRUCTIONS

1. Information provided in this form is aggregated and an analysis is published by the New Hampshire Bank Commissioner in his Annual Report to the Governor and Executive Council. The accuracy of the information is also important because it will be used by the New Hampshire Banking Department ("the department") if assessment calculations are needed.
2. All Small Loan Lenders licensed in accordance with NH RSA 399-A during any period of time during the preceding calendar year must complete and file this report with the department on or before February 1st of the ensuing year. All annual reports for calendar year 2005 must be received by the department on or before the close of business on Wednesday, February 1, 2006.
3. All items on the form must be completed; do not leave any blanks. Reports with blanks are incomplete and will be deemed as "not filed" for purposes of any penalty. If an item is not applicable to the type of business conducted by the licensee, enter "N/A", "none", "O", or "zero".
4. Work papers used to calculate and compile the information required by this form must be retained and made available when the licensee is examined by the department.
5. This report must be filed if a license was held for a portion of the reporting year and must be filed even if no loans were made. The original report, signed under penalty of unsworn falsification pursuant to NH RSA 641:3, must be physically delivered to the department; we cannot accept fax transmissions of reports. Failure to file the annual report or late filing of the annual report results in a statutory penalty of \$25 per day for each day the report is overdue.
6. No fee is required to file this annual report.
7. Round dollar amounts to the nearest whole number.
8. Schedule A: Information about loans should be provided for transactions made during the calendar year 2005. The figures in the three columns should reflect the company's **small loans made by the licensee from all business locations in New Hampshire and from any other location or method, including the Internet, with consumers located in New Hampshire**. Do not double count loan transactions. For each small loan, first select whether the transaction was a title loan, a payday loan or another type of small loan and include the loan in the selected category. Add up the total of the three types of loans for the 4th line on Schedule A. The last line on Schedule A should reflect only what is actually outstanding (for all types of loans) on the books of the lender on December 31, 2005.
9. Definitions:
 - a. "Title Loan" means a loan, other than a purchase money loan that is secured by the title to a motor vehicle, and that is made for a period of 60 days or less, and is to be paid back in a single payment, and that is made by a lender in the business of making title loans.
 - b. "Payday Loan" means a small, short-maturity loan on the security of a check, or any form of assignment of an interest in the account of an individual or individuals at a depository institution, or any form of assignment of income payable to an individual or individuals.
